ALCON:

The EPA reg # is: 5481-480 Dibrom Concentrate

I'm also attaching the label for your records.

vr,
Lt Col Breidenbaugh

Subject: [Non-DoD Source] "TF Vector Control (Harvey)" - Pesticide EPA Registration Number

Kevin: since Eddie is off the net for a day or so, can you help track down the EPA Registration Number for the pesticide that was ordered. That will really help in identifying the correct label and answering any questions that may come up. Thanks, Ken
